

**Create a Ripple**

**HARRY HYNES**  
Memorial Hospice

*I alone cannot change the world.  
But I can cast a stone across the waters to create many ripples.*

**- Mother Teresa**

Since 1983, Harry Hynes Memorial Hospice has served as your local, independent, non-profit hospice providing compassionate hospice care to anyone regardless of their ability to pay. For over four decades, we have been blessed by our community's generosity – each gift having a ripple effect on the lives of our patients and their families.

Every day, Harry Hynes Memorial Hospice provides care to hundreds of patients and their families. Our team of physicians, nurses, spiritual care providers, social workers, aides, and volunteers are dedicated to meeting each patient's needs. Our goal is to provide comfort, relief, and peace to all those under our care.

Your donations – no matter the amount – help us provide extra care and support, not always offered by other end-of-life programs. They also help us provide support programs for families and loved ones. We care for all ages, backgrounds and financial means.

*Making an end-of-the-year gift to Harry Hynes Memorial Hospice will have an immediate impact on those we serve now and as our hospice needs develop.*

**Your gift can create many ripples  
to those that need it most.**

I lost my wife Theresa to pancreatic cancer in 2009. We were together as life partners for nearly 25 years sharing in everything. Theresa was insightful, funny, caring and engaging, and was my best friend. Her illness came on unexpectedly, and was unfortunately incurable, leading us to require hospice care in her last few weeks. We discovered Harry Hynes Memorial Hospice and engaged their services to help us through the difficulties of end of life. The nursing teams, social workers and staff were with us all the way providing Theresa with pain relief and comfort. One year later, I became a volunteer and continue to this day as well as being a monthly donor to assist in supporting the organization. I will forever be grateful to Harry Hynes and everyone involved in ongoing care they provide to those in need.
